

The Exotik

This Soap encapsulates every superlative of beauty.

The Wealth of Women: Organic Shea butter is full of protective, moisturizing and firming properties.

It is recommended for dry skin and appreciated for its

gentle touch on scars and stretch marks as well as for wrinkles. The King of Fruits: Fresh, organic pineapple reduces acne problems, neutralizes fatty acids.

The Bay Leaf of the Gods: Organic bay leaf oil fights skin problems such as psoriasis & acne and has a comforting uplifting scent.

Anti-bacterial... The Exotik offers the unusual caress of flaked coconut. Stimulating, rebellious and full of energy, with its delightful lime scent...

Indian Soap

A 8% extra-rich Soap to relax and revitalize your body, thanks to oatmeal soaked in lime juice. Rich in vitamin A, shea-butter fights age and sun damage. Protecting your body, this Soap exudes a scent of lemongrass and Oliban incense. Ideal for your hair: giving body and shine. No need for conditioner!

Green Clay Soap

A 7% extra-rich Soap to restore elasticity and cleanness to your skin. Skin with acne becomes as smooth as velvet... Avocado oil, rich in vitamins A-D-E is recognized for its moisturizing properties.

This soap is suitable for normal to greasy skins.

Gentle green clay blends with the scent of tea tree oil and rosewood.

Southern Soap

New Recipe

A 7% extra-rich Soap to stimulate your body. For a brilliant complexion and coolness.

Also ideal for hair: giving flexibility and shine.

Olive Oil is very rich in fatty acids and nourishing,

soothing Vitamins A-B-C and E. This luxurious soap is filled with lemony aromas and a bit of rosemary, clove and basil. A unique adventure...

Olive Soap

A 7% extra-rich Soap to naturally moisturize your skin and protect it from external aggression. A true Castile Soap, with gentle olive oil for sensitive and dry skins. This Soap is rich in fatty acids, vitamins A-B-C and E and in minerals and is ideal for children. Contains no essential oils for fragile skin and people with allergies. Olive Soap: the Secret of eternal youth...

Soap of the Oases

Argan Oil regenerates and firms your skin while protecting it against dryness and aging. Your skin will remain supple, firm and soft. Ghassoul, a natural clay with extraordinary cleansing, astringent and healing properties, gives your skin unequalled softness...

Ideal for your hair, making it shiny and soft. A treasure of Freshness, with its bright note of green Moroccan nana mint and woody perfume of Atlas cedar, to tone the system and help eliminate cellulite. It will surround you with its oriental scents....

Mild Soap

A 7% extra-rich Soap to soften and tone your body. For dry and sensitive skin. Sweet almond oil is rich in vitamin A. This Soap with whole milk adds a gentle touch to the most delicate skins. A warm vanilla scent of Benzoin calms and refreshes your spirit.

Number 10

The scented Soap which will make your head turn... with its sensual odour of patchouli, blessed fragrance of another time... Its grapefruit zest stimulates and tones your skin, for a joyful soul and plenty of energy.

The gentle, fruity scent of bergamot offers its calming and tonic qualities... A truly exciting cocktail which will care for your skin like no Soap ever has before! Includes millet, the beauty grain, rich in vitamin B5 which stimulates the elastin in your skin and attenuates the first signs of wrinkles. It will fill all your expectations!

Dynamite Soap

A 7% extra-rich Soap which will fill you with provitamin A (retinol) and make you euphoric ... Coconut oil is ideal to soften dry and sensitive zones. Shea-butter contains extraordinary reparative virtues for the skin... This Soap will flood you with its "ginger- ylang ylang" touch...

Soap Case

Whoever steals your Soap Case won't be able to use your Soap without the "Adventure Code" needed to open it... Ideal as a Soap Dish in your bathroom or as a Traveler's Soap Dish... Thus you can carry your Soap with you anywhere, easily... It will be protected like a jewel. No more leaks in your sports bag or your bag...

Sea Sponge

Ideal for an Adventure Shower or just to wash your face! Thanks to its high level of antibacterial natural iodine, it will always be ready for use, supple, soft and odour-free. Use your Soap all over your body, then you can make lots of suds without it disintegrating... Dampen your Sea Sponge, watch it become soft and supple, then "rub – wash – caress" to your heart's content. When you use this Sponge, no need to waste Soap in a longer shower... with more adventuresome caresses! Perfect for sensitive skin and babies.

Cinnamon Soap

A 6% extra-rich Soap gently regenerates and deep-nourishes your skin. Excellent to fight wrinkles. Avocado oil is gentle, protecting and moisturizing. This Soap is shaped with sesame, giving a gentle exfoliating effect, and scented with cinnamon and sweet orange.

Black Queen's Soap

A 7% extra-rich Soap to soften and tone your body. For dry and sensitive skin. Sweet almond oil is rich in vitamin A. This soap with Hérens breed cow's milk from Valais will gently touch the most delicate skins. A warm vanilla scent of Benzoin will calm and refresh your spirit. A Valaisan Soap to fight dry skin!

Argan Shaving Soap

A 6% extra-rich Soap which will replace your "traditional" lather or depilatory cream. His & Hers Soap! The razor blade will glide over this creamy soap. Healing castor oil provides a lemony smooth foam. This Soap used "normally" is beneficial for dry skin thanks to Argan oil, rich in fatty acids and in vitamin E, which fights cutaneous aging.

Alum Stone – natural deodorant

The Alum stone's virtues have been known for thousands of years: deodorant - calm razor burn – aftershave – firming.

Composition: pure potassium salts 😊. This Stone is guaranteed free of aluminium hydroxide ☹️ and ammonium ☹️.

Easy use: simply wet the stone and apply to armpits!!!
